OPTIONS

PACKS	
Climate Pack	Heated windscreen Heated steering wheel Two-zone Climate Control

ACCESSORY PACKS	
Protection Pack	Rubber Mats LHD Loadspace Semi-Rigid Liner
Protection Pack	Rubber Mats RHD Loadspace Semi-Rigid Liner

EXTERIOR FEATURES	
Heated windscreen	Offers a quick and convenient way to defrost or demist the windscreen.
Auto-dimming, power fold, heated door mirrors	These electrically adjustable auto-dimming mirrors reduce glare from following cars' headlights. Power fold conveniently reduces the overall width of your F-TYPE and makes the mirrors less susceptible to damage. The heating function removes frost and dew.
Powered boot lid	The powered tailgate makes loading and unloading easier. The tailgate can be opened via a button on the key fob and closed using a button on the inside of the tailgate.

INTERIOR FEATURES	
Suedecloth sunvisors with vanity mirrors	Reduce glare from the sun with luxurious, Suedecloth wrapped sunvisors with mirror.
Configurable Cabin Lighting	The Configurable cabin lighting can change F-TYPE's standard Phosphor Blue accents to Pale Blue, White, Coral or Red using the Touchscreen menus. Additionally, activating Dynamic Mode will switch the lighting to a dramatic Red on the door and centre console grab handles as well as within the instrument cluster.

Two-zone Climate Control	Create the ideal comfort for you and your passenger with 2-Zone climate control. Odour Filtration ensures a fresher air quality regardless of outdoor conditions.
Air Quality Sensor	This extra climate control option senses low-quality air outside and instinctively starts recirculating cleaner air in the cabin to maximise your comfort.
Illuminated metal treadplates with Jaguar script	Elegantly styled stainless steel sill treadplate finishers with Jaguar script for driver or passenger doors. Illuminates when either the driver or passenger doors are opened. Highlighted by soft Phosphor Blue lighting. Also available as a retailer fit accessory.

SAFETY AND SECURITY

Secure Tracker	Provides stolen vehicle monitoring and notifications via your smartphone and the secure call centre. Secure Tracker is available at an additional subscription cost matching the period of warranty. Once the warranty period has expired, further subscription charges may apply. Please check with your local Jaguar Retailer for local market availability and variations. As we roll out InControl, specific features described may be optional and market or powertrain dependent. Please consult your local Jaguar retailer for availability and full terms in your country. Certain features require an appropriate SIM with a suitable data contract, which will require a further subscription after the initial term advised by your retailer. Mobile connectivity cannot be guaranteed in all locations.
----------------	--

DRIVER ASSISTANCE

Park Assist	Park Assist makes parking easier than ever before, by automatically detecting available parking spaces and offering to park for you. At your command, your vehicle will complete the full parking manoeuvre automatically, while you simply sit back and keep an eye on the surroundings.
Keyless Entry	With the Jaguar Smart Key in your pocket or bag, the Keyless Entry system allows you to conveniently unlock F-TYPE by simply pressing a button on the door handle. This automatically unlocks and deploys F-TYPE's door handles, allowing entry. Similarly F-TYPE can be conveniently locked by simply pressing the rear of the door handle, retracting the handles back to their flush position.

The figures provided are as a result of official manufacturer's tests in accordance with EU legislation. For comparison purposes only. Real world figures may differ. CO₂ and fuel economy figures may vary according to factors such as driving styles, environmental conditions, load, wheel fitment and accessories fitted.

◇1,584 on 20" wheels.

◆1,628 on 20" wheels.

◇Dry: Volume as measured with VDA-compliant solid blocks (200mm x 50mm x 100mm).

◆Wet: Volume as measured by simulating the loadspace filled with liquid.

Important note on imagery & specification. We are living through exceptional times. Due to the Covid pandemic we have been prevented or delayed in the creation of new images of current model years. Now the global impact of micro-chip shortages is further affecting build specifications, options and launch timings. Until this unique event settles, please note that **many images cannot be updated to 22/23 model year specifications**. Features, options, trim and colour schemes will differ from many images. Customers are urged to consult your local Retailer for detailed 22/23 model year specifications and do not base an order on marketing imagery and specification alone.

Jaguar Land Rover Limited is constantly seeking ways to improve the specification, design and production of its vehicles, parts and accessories and alterations take place continually, and we reserve the right to change without notice. Some features may vary between optional and standard for different model years. The information, specification, engines and colours on this website are based on European specification and may vary from market to market and are subject to change without notice. Some vehicles are shown with optional equipment and retailer-fit accessories that may not be available in all markets. Please contact your local retailer for local availability and prices.
